

Hello,

We are pleased to provide you with a list of Westie breeders in Ontario. All these persons are members of the Canadian West Highland White Terrier Club and are bound by our Code of ethics. Please note that the Canadian West Highland White Terrier Club does not endorse or approve breeders. The onus is still on you to investigate carefully everyone with whom you might do business.

We recommend that you visit our website. There, you will find articles like the FAQ, <http://www.canadawestieclub.ca/westies/FAQ.html> Getting a Westie, <http://www.canadawestieclub.ca/westies/getting.html> Questions to ask a breeder <http://www.canadawestieclub.ca/westies/quest.html> and Puppy or Adult <http://www.canadawestieclub.ca/westies/puporad.html> which might help you in your decision.

When you contact the breeder, don't forget to tell where you got the reference from. Expect to be interviewed by him and provide references. Don't forget to ask for written guaranties and pedigree. It is wise to have a written contract that specifies the agreement between both parties.
